GRIEF MINISTRY

~~~~~

During the grief process, one may feel:

**Hopeless  
Empty  
Fearful  
Angry**

Or many other emotions that an individual can experience.

With the help of fellow caring Christian friends, and if necessary, a Christian support group/or the assistance of a licensed Christian professional therapist, the grief process often turns out to be a healing, enlightening experience that leads to a greater understanding of our God's Love.

~~~~~

The ministry welcomes the involvement of loving and caring Christians. Biblical training in Christian grief counseling is required.
